PUBLICATIONS

[2021]

Role of diet, supplementation, and physical activity during the preconception period on perinatal outcomes.

As part of my bachelors, we conducted a systematic review for academic purposes (bachelor's thesis).

- Responsibilities included designing the review protocol, selecting and evaluating studies, extracting and synthesizing data, and drafting the final report.

(Unpublished) PROSPERO CRD42022298561

[2025]

Energy Drink Consumption in the Eastern Mediterranean Region: A Systematic Review.

As part of my Master's in Public Health, I contributed to a systematic review, currently under review and developed within the framework of a doctoral research project.

- Contributed to methodology development, formal analysis, research, data curation, and visualization
- Drafted, reviewed, and edited the manuscript in collaboration with a multidisciplinary team
- Strengthened skills in teamwork, data management, and scientific writing

(Under review) PROSPERO CRD42023473014

CONFERENCES AND SEMINARS
